NOW ONLINE - Special GED® Test Pricing Webinar and notes

The following has been sent to program directors.

Dear Program Directors,

Most of you were able to attend the Special GED® Test Pricing webinar KYAE hosted Tuesday afternoon and Wednesday morning. We hope you found it helpful and informative.

For those of you who were unable to attend and for those of you who would like to review the information presented, the webinar's PowerPoint presentation with notes, along with the questions and answers from the webinar, are now posted on KYAE's website.

The main points of the webinar were:

- As soon as we have \$20 GED® testing vouchers in hand, GED® testing modules will be available for eligible students for just \$10. We are hoping for July 1 launch.
- This special promotion will be available until all 8500 vouchers (for individual test modules) are distributed.
- In order to be eligible for a testing voucher, a student must be enrolled in a KYAE program and must pass the module on the Ready™ test for which the voucher is being requested.
- As soon as we have vouchers in hand, we will post downloadable, customizable materials on the KYAE website.
- We will send an email announcing when this campaign has officially launched.

For more details, including how to request vouchers, please view the webinar.
